RESPONSE TO DECISION ON RENEWED PAPERS FILED UNDER 37 C.F.R. 1.42

Commissioner for Patents  
Office of PCT Legal Administration  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

This paper is filed in response to the Decision on Renewed Papers Filed Under 37 C.F.R. 1.42, mailed March 13, 2007, which indicated Applicants' failure to satisfy the requirements of 37 C.F.R. 1.42, and hence non-acceptance of the request for status under the same section.

As requested in the Decision, and as per an April 11, 2007 conversation between PCT Legal Examiner Rafael Bacares and the second undersigned, enclosed please find the following:

—New Declaration and Power of Attorney for Utility or Design Application Using an Application Data Sheet (2 pages), indicating the name of the deceased, and the name and signature of the deceased's sole heir.

—New Declaration for Utility of Design Patent Application (37 C.F.R. 1.63) (4 pages), indicating the name of the deceased and the name of the deceased and the name and signature of the deceased's sole heir.

—New Supplemental Application Data Sheet (4 pages) in compliance with 37 C.F.R. 1.497(b)(2), which requires the deceased's sole heir to set forth all information about herself that the deceased inventor would be required to present. This information includes name, nationality, and place of residence (mailing address).

We are submitting both forms of the declaration in order to ensure that we have complied with the Office's requirements. We believe that the enclosures fully satisfy the requirements of 37 C.F.R. 1.497(b)(2), and hence also satisfy the requirements for the grant of Status under 37 C.F.R. 1.42.

If anything further is required, please contact undersigned counsel.

If there are any additional fees resulting from this communication, please charge same to our Deposit Account No. 18-0160, our Order No. IWI-15749.

Respectfully submitted,
